The School

Northwest College of the Bible is a cooperative effort of preachers, teachers, and pastors in the northwest working together under the oversight of the elders of Central Christian Church. College level courses are offered to men and women for the strengthening of local congregations and individual preparation for various ministries. We are pleased that you are considering God's work in your future and hope that NCB can play an important role in helping you achieve your goals.

The Purpose

The Purpose of Northwest College of the Bible is to equip Christians for ministry in their local congregations, prepare Christians for missionary work in the world, and help Christians develop the skills and character traits necessary for leadership in the Lord's Church. Ephesians 4:11-13 and 2 Timothy 2:2 indicate that this should be accomplished the evangelists, pastors, and teachers of the church. God wants all Christians to continue to "grow in the grace and knowledge of our Lord Jesus Christ."

Accreditation and Degrees

Northwest College of the Bible is not accredited by an accrediting association. However, NCB has been granted exempt status by the State of Oregon to offer theological and religious occupation degrees. We have been successfully equipping young men and women for service in the Lord's church since 1952. Our high academic level is comparable to other Bible colleges, and most secular colleges and universities accept our credits for continuing education. Many of today's Godly and successful preachers have come from this school. The teachers at NCB hold academic degrees in ministry, missions, sacred literature, education, or theology. They have been involved in several years of successful ministry. And all of the teachers are active leaders or ministers in local Christian Churches or Churches of Christ.

Tuition

The cost to attend NCB is much lower than most Bible colleges. Our professors are ministers, teachers, and elders from local congregations. They donate their ministry time to teach in the Bible college. Students must place their fellowship with one of the supporting churches. Students are expected to be active in the work of their congregation, tithe, and maintain at least a C grade average. Tuition is \$15 for each four-credit hour class. Students can audit classes for free.
